INDUSTRIAL VALVES

KNIFE GATE VALVE

KG01

Knife gate valve unidirectional

KG02

Knife gate valve bidirectional

KG03

Knife gate valve through conduit

KG04

Square Knife gate valve

KG05

Knife gate valve SP 81

KG06

Under silo Knife gate valve

KG08

Penstock

KG12

Sleeve Knife gate valve

KG14

Square Knife gate valve

KG23

Knife gate valve double shovel

KG31

Knife gate valve with bonnet high pressure

KG33

Knife gate valve through conduit with bonnet

200 Rue Léon Blum
69100 Villeurbanne

INDUSTRIAL VALVES

OTHER PRODUCTS

Knife gate valve

KG22 - similar to KG02 but with 2 pc body

KG42 - Manufacturing silo valve possible round to square - 2 pc body

KG64 - Square silo valve

Butterfly valve

BV10 - similar to BV00 but reinforced sleeve

BV20 - similar to BV00 but 2 pc body

BV30 - similar to BV00 but vulcanized sleeve

Ball valve

VBC2 - 2 pc C-ball regulation

VBC3 - 3 pc C-ball regulation

VB04 - segment valve

Gate valve

GV80 - forged gate valve

Check valve

CV00 - strainer

CV01 - simple flap

CV02 - double flap

CV11 - CV01 with counter weight

CV21 - BV42 with counter weight and active hydraulic

Globe valve, Expension joint, Diaphragm valve, Plug valve, Dismantling joint

200 Rue Léon Blum
69100 Villeurbanne
